

What is the LPPA?

The LPPA is a nationally recognized Award achievable by schools who work very closely with the parents/carers of their pupils.

It aims to enhance children's life chances through the involvement of parents.

Parental Involvement

Silverdale School and The Leading Parent Partnership Award (LPPA)

▶ We hope to achieve
this award with your
support by May 2015

We value your support

▶ **What will Silverdale have to do to gain the LPPA Award?**

We will work towards meeting 10 different objectives:

- Be committed to achieving the Award
- Be a welcoming and friendly place for parents/ carers
- Promote the awareness and participation of all groups of parents in supporting their children's learning and developing their own.
- Make plans to achieve and maintain the award
- Provide parents with relevant and user friendly guidance and information to help them support their children's learning
- Hold opportunities and events for parents and their children to enjoy together
- Provide good support for all parents as their children leave school
- Provide a good induction for all parents
- Produce and implement parent friendly policies to establish effective home school links and improve progress and participation
- Evaluate our achievements and outline future

Why work with Parents? Consider this research:

“ At the age of seven parental influence on learning is six times that of school. At the age of twelve parental influence on learning is 30% greater than that of the school. After the age of 12, children - as they grow and mature - become their own greatest influence. At no point does the school have the greatest influence”

Desforges 2003.

Both national and international research has concluded that the engagement of parents is vital to the education of children and young people.

Silverdale school is committed to supporting our parent to give our pupils the best start in life.

How can you help Silverdale Achieve the Award?

- Contact your Linkworkers at Silverdale if you would like to be involved or have any ideas.
- Keep up to date with what we have been doing by reading updates on our website and on Twitter.
