**DATE RATIFIED:** 22/11/2022  
**REVIEW DATE:** 22/11/2024

## **Student Uniform Policy**

Students at Silverdale School are permitted to wear their usual everyday clothing as long as it is safe and appropriate to their timetabled lessons.

There is no requirement for students to wear a uniform.

### **Outdoor Education, Duke of Edinburgh's Award, swimming etc**

For specialist subjects, such as Outdoor Education, we provide all the necessary clothing to enable our students to participate safely and comfortably.

### **The ARP**

Pupils attending Silverdale Additionally Resourced Provision (ARP) wear the school uniform of their home school. This is to keep the connection with the home school and support pupils in understanding they will have to wear the uniform if they return to their home school. Silverdale ARP endeavour to poverty proof the need for uniforms and any issues or concerns will be addressed case by case.
