

SILVERDALE PRIMARY PE AND SPORT PREMIUM FUNDING 2021/22

It is a statutory requirement for primary schools to publish, on their school websites, how much PE and sport premium funding they receive, a full breakdown of how they have or will spend the funding, the effect of the premium on pupils' PE and sports participation and attainment, and how the school will make sure these improvements are sustainable.

Silverdale School expect to see improvement in the Primary and ARP departments against the following key indicators:

- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
- The profile of PE and sport being raised across the school as a tool for whole-school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broadened experience of a range of sports and activities offered to all pupils.

Key achievements to date	Plans for further improvement:
ARP:	ARP:
Specialist PE Coach teaches PE sessions at the ARP one day a week. Pupils are keen to participate in sessions and enjoy developing skills in arrange of sporting activities.	Continue to support pupils to build on skillset, stamina, resilience, team work and social skills through these specialist sessions.
Developed the PE offer by replacing old PE equipment and buying in a wider range of equipment. New equipment enjoyed by pupils and range of fun activities encourages all pupils to join in and be active.	Ensure all age groups access equipment and replenish as needed.
Established Breakfast Club to promote healthy eating and lifestyle choices. Majority of pupils have food at start of the day helping them to be 'ready to engage and learn'.	Continue to offer Breakfast Club and ensure all children who need it access it.
Snack time offer includes healthy options and children are included in choosing new foods to try. Majority of pupils open to trying new foods and have experience sourcing food.	Snack time offer in place.
Developed play area to offer a range of activities encouraging pupils to access outside and engage in exercise and play.	Multi Use Games Area will be installed 2022.

<p>All pupils enjoy outside time and have a range of activities to engage with that also provide opportunities for the development of turn taking and social skills as well as physical development.</p>	
<p>All pupils attending the ARP access swimming sessions. Year 2 pupils upwards access swimming lessons. Pupils learn a skill that could save their life and engage with a physical activity that offers mental health as well as physical health benefits. Younger pupils have fun in the water building confidence as a foundation for future lessons.</p>	<p>Continue to deliver recreational swimming sessions and taught swimming lessons.</p>
<p>Primary:</p>	<p>Primary:</p>
<p>Development of the Primary Outdoor Learning offer. Pupils access new experiences at the coast, in forests, parks and the countryside. Pupils develop confidence, resilience and feel good accessing nature.</p>	<p>Purchase of mountain bikes to enhance core Outdoor Learning offer, bikes requested by pupils. Source and install storage area for Outdoor Learning and break time play equipment.</p>
<p>Develop the break and lunch time outdoor play offer. Installation of Multi Use Games Area for two touch football. Installation of seating areas. Majority of pupils like being outside, are encouraged to be active and engage positively with one another.</p>	<p>Ensure equality of offer and engagement across genders.</p>
<p>Developed the PE offer by replacing old PE equipment and buying in a wider range of equipment. New equipment enjoyed by pupils and range of fun activities encourages all pupils to join in and be active.</p>	<p>Ensure all age groups access equipment and replenish as needed.</p>
<p>Established Breakfast Club to promote healthy eating and lifestyle choices. Majority of pupils have food at start of the day helping them to be 'ready to engage and learn'.</p>	<p>Continue to offer Breakfast Club and ensure all children who need it access it.</p>

Physical Education Area	Planned Action and Impact	Cost
1. Swimming	All Primary pupils have had the opportunity to participate in 1 term of swimming with specialist instructors. Desired outcome: All pupils are competent swimmers by the end of KS2.	£2,500.00
2. Physical Education Instructor	The ARP hires in a PE specialist to teach 3 classes PE 3 sessions per week. Desired outcome: All pupils engage with and enjoy coaching sessions and develop both physical and social skills.	£630.00
